

A technical drawing of a vertical component. The drawing shows a vertical shaft with a diameter of 155. The total height of the shaft is 805. A section of the shaft, starting from the bottom, has a height of 663. At the top of this 663 section, there is a small rectangular feature. The shaft continues to a total height of 805, where it ends in a curved, rounded top. The drawing is a simple line drawing with no shading or texture.
